Description

Introducing TETSUKIZU, the stunning pull handle that draws inspiration from traditional Japanese design and culture. The name "TETSUKIZU" is derived from the Japanese words "□□," which mean "iron plow," embodying the handle's unique curved design.
Crafted from high-quality materials, TETSUKIZU boasts exceptional durability and resistance to wear and tear. Its sleek and curved design is inspired by the Japanese art of Keshigomu, where paper is folded and cut to create intricate and delicate designs.
The TETSUKIZU pull handle is perfect for modern and contemporary interiors, adding a touch of elegance and sophistication to any space. Its curved shape provides a comfortable grip and a distinctive look, making it a statement piece in any room.
